

FIRE FEE

Explained

Where Georgia comes together.

**Pays for doubling City fire staff at
headquarters and the Davis Fire Station.**

The increase was required to reduce property insurance rates in the city.

For most homeowners

the fee is **less expensive** than the millage rate increase.

Avg. Market Value | \$178,683

Cost of Millage Increase | \$272

Annual Cost Fee | \$252

If your home has a higher market value, you save more.

Removing
the fire fee means a

29%

increase in the current
millage rate.
