

CITY HIGHLIGHTS
October, 2011

- Council finalized the shift from a 100% City funded defined benefit pension plan to a City limited match employee shared defined contribution pension plan. This will provide the employee with more options and greatly reduce future City costs.

- Second Perry Music Festival held on last weekend of October. In addition to the four (4) stages featuring a diversity of music this year's event added a Kid's Village play area and an official poster designed by a middle schooler selected from several child-artist entries.
