

Where Georgia comes together.

May 2016

Highlights

- Council amended the downtown district to remove the General Courtney Hodges Boulevard corridor. This will allow the corridor to develop its own set of development criteria.
- Council established the Digital Communications Manager position to address social media planning and implementation.
- Council adopted the form based zoning district primarily for General Courtney Hodges Boulevard. This will provide a greater range of uses, encourage walking and improve the appearance of the corridor.
- Council approved the proposal of a landscape plan for the General Courtney Hodges Boulevard corridor.
- Council approved the park concept plan for Third Street and the former Goodroe parcel.
