

Where Georgia comes together.

**OFFICE OF THE CITY MANAGER**

**MEMORANDUM**

**TO:** Water Customers  
**FROM:** Lee Gilmour, City Manager *LG*  
**RE:** Water Conservation

Per the requirements from the State of Georgia as part of the City's well permits, the City is requiring its customers to initiate water conservation measures. The reason for this action is the City's wells' water levels are declining due to:

1. Higher than average summer temperatures.
2. Significant decrease in average rainfall.
3. Increase in agricultural irrigation in our area.

One of the measures imposed with this order is all outdoor irrigation is restricted to Tuesday, Thursday and Saturday regardless of your property address. No irrigation is to take place, except for new lawns, plantings or gardens on Monday, Wednesday, Friday or Sunday.

Mayor and Council appreciate your understanding and assistance. Should you have any questions, please call Customer Service at 478.988.2754.
