

WELCOME!

NEW *resident* GUIDE

UPDATED JULY 2026

Where *Georgia* Comes Together

An award-winning community...

Randall Walker
City of Perry Mayor

Perry is, literally and figuratively, "Where Georgia Comes Together."

On behalf of the Perry City Council and myself, I would like to welcome and thank you for choosing Perry as your residence or a place to conduct business.

Our historic community encompasses over twenty-seven square miles along Interstate 75, right in the heart of Georgia. Perry has capitalized on the proximity to Robins Air Force Base, excellent schools, unique downtown, high quality of life, and a growing community.

We are committed to bringing quality growth to our city and value to our citizens. We place a premium on smart growth resulting in engagement and stability. Our strategic plan is city-driven and focused on supporting strategic economic and community development as we provide quality customer service to our citizens.

We look forward to seeing you around in our community #WhereGeorgiaComesTogether!

The Perry City Council is the legislative body of the Perry government.

The City Council is responsible for adopting all ordinances and resolutions, approving the annual operating and capital budgets, setting all tax rates, approving the five-year Capital Improvement Program, setting all user fees, making land use and zoning decisions, and establishing long-range plans and policies.

Contact information for the Mayor and Councilmembers is on the City's website at perry-ga.gov/council.

Work Sessions are held on the 1st and 3rd Monday beginning at 5:00 p.m.

Pre-Council Meetings are held on the 1st and 3rd Tuesday at 5:00 p.m.

Council Meetings are held on the 1st and 3rd Tuesday at 6:00 p.m.

CUSTOMER *Service*

(478) 988-2754 | 1211 Washington Street
perry-ga.gov/customerservice

Customer Service is committed to providing courteous and efficient service to all utility customers.

The City provides water, gas, sewer, and garbage collection services to its citizens. Only water and gas are provided in unincorporated areas.

NEW CUSTOMER INFORMATION

A non-refundable activation fee is required to set up service. All fees must be paid prior to the activation of service. Applications may be completed online or in person at Perry City Hall.

Required Documentation:

- Official picture identification
- Signed lease agreement (if renting)
- Signed closing settlement or warranty deed (if purchasing)

BILLING POLICIES & PAYMENTS

Customer Service Policies as of Aug. 2019

Accounts beginning with:

- 0 - due the 8th of every month
- 1 - due the 2nd of every month
- 3 - due the 15th of every month
- 4 - due the 10th of every month
- 5 - due the 19th of every month
- 7 - due the 5th of every month

WATER, SEWER, GAS, AND SOLID WASTE FEE SCHEDULE

The current City fee schedule is located on the City's website (perry-ga.gov) under the Customer Service icon.

To ensure the utmost accuracy in determining your bill, we use Advanced Meter Infrastructure software to determine your bill electronically. Results then go through a series of reviews before being sent to our customers.

Your City Services Bill is much more than a water bill. See the next page for "City Services Bill Explained."

perry-ga.gov/
customer service

More than Water

The City of Perry's City Services Bill includes more than just water. This comprehensive utility bill outlines all city services you receive and the cost for each one. Combining all charges into a single bill makes it easier for you to see exactly what services you're paying for and the total cost.

Enterprise Funds

The City of Perry's water, wastewater, and natural gas services are considered enterprise funds. This means the funds are used to account for services that the City provides to the public for a fee. The goal is for these services to be self-supporting through the revenues they generate.

Fire Protection Fee

The Fire Protection Fee pays for the City's two fire station operations, maintenance, equipment, and staff. This fee does not cover the cost of rescue operations.

City Services

Water Consumption

Pays for water treatment, transmission lines, and water facilities debt service. Based on consumption.

Water Base

Pays for water department operations and billings. Based on number of water meters, operations, and billings.

Sewer Usage

Pays for wastewater treatment, lift stations, line maintenance, and wastewater debt service. Based on water consumption.

Gas Consumption

Pays for natural gas purchases, transmissions, gas system debt services, operations, and billings. Based on gas consumption.

Gas Base

Pays for natural gas shares, meter readings, operations, and billings. Based on the number of meters.

Sales Tax on Gas

The state of Georgia requires sales tax be paid on natural gas. Consumption based on customer usage costs.

Solid Waste Charge

Pays for solid waste collections, disposal, bulk item pick up, yard debris collection, and disposal and operational debt service.

Stormwater Utility Fee

Pays for state-mandated inspections, maintenance, and repair costs on the City's stormwater systems. Based on permit requirements.

HOME OWNER *Maintenance*

TIPS FOR MAINTAINING YOUR HOME

INTERIOR

↶ Monthly

1 **Inspect and change HVAC filters (if necessary)**

If the filter is dirty, change it out. If not, inspect it again next month. For smaller families, without pets or allergies, filters can last 2-3 months.

↶ Monthly

2 **Test smoke & carbon monoxide detectors.**

Detectors should have a "test" button. If so, press and listen for an alarm. If you don't hear a sound, replace the batteries and test again. Test monthly and replace batteries once or twice a year.

↶ Every 6 months

3 **Run water and flush toilets in unused spaces**

Places you don't use on a regular basis such as guest bathrooms, or other sinks/water sources, should be flushed or momentarily run the water at least twice a year. This will clear grime or other types of buildup.

↶ Every 6 months

4 **Test water heater's pressure relief valve.**

This will prevent mineral and corrosion buildup, which safeguards against leaks, and allow your heater to run efficiently.

↶ Every 6 months

5 **Deep clean your home.**

Take one Saturday every six months and properly deep clean your home. Appliances, windows, and dusting are a great place to start.

↶ Every 6 months

6 **Vacuum refrigerator coils.**

Over time, refrigerator coils become dirty and require more energy. Some homeowners can save up to \$100 a year by cleaning the coils.

HOME OWNER *Maintenance*

TIPS FOR MAINTAINING YOUR HOME

EXTERIOR ← *Once a year*

1 **Clean out gutters.**

Clean any accumulated leaves, grime, sediment, etc. so water can flow through the gutters efficiently.

4 **Inspect plumbing for leaks, clean aerators on faucets.**

Checks every faucet and toilet for small leaks. Do your faucets have poor water pressure? The aerator likely needs to be cleaned out.

2 **Inspect the exterior of your home.**

Paint chipping? Siding damage or discoloration? Holes in any bricks? Take a close look around your home and make any needed repairs.

5 **Get rid of insects!**

Ants, spiders, moths, flies, and mosquitos are common. Keep cobwebs clear, ant poison handy, and make sure any standing water is discarded.

3 **Is your air conditioner ready for the summer?**

Consider getting your air conditioner serviced by a professional to save money and headaches when you need it the most.

Place solid waste totter to the curbside the night before pick-up.

Return toters out of public view after pick-up.

Mow your yard at least every two weeks. Trim sidewalks/driveways once a month.

Bagging yard debris gets a credit on your city services bill. Contact Customer service for details.

Solid Waste

Frequently Asked Questions

What day of the week is trash picked up?

Typically, your yard debris and bulk items are picked up the same day as your household trash. Call Public Works to confirm your date at (478) 988-2729.

What items can I put out at curbside?

Solid Waste crews collect yard debris such as limbs, leaves, and vegetative debris placed curbside weekly and is not the result of contracted work. Bulk items are also picked up weekly and must be placed in a separate pile curbside on your collection day. Some items not accepted as bulk waste are construction and demolition materials.

What is the bagging incentive for my bill?

Bagging leaves and grass clippings qualify for a credit to your utility bill. A minimum of 5 bags is required for the credit and each residence is eligible weekly. The credit amount is listed on the City's Fee Schedule.

How do I dispose of a refrigerator or washing machine?

White goods are collected curbside on a weekly basis as well. Place these items within 5 feet of the curb and apart from other debris for collection.

Who do I call if my trash was not picked up?

Contact Public Works at (478) 988-2729 anytime your trash is not picked up on your normal pick up day.

How do I request an additional toter?

Additional toters can be added to your utility account for a fee. Contact Public Works at (478) 988-2729 for more information.

Can my contractor put debris out?

The City does NOT accept debris as a result of contracted work. Service of debris piles as a result of contracted work is subject to fees as outlined in the City's Fee Schedule.

Am I charged extra for curbside collection services?

Weekly curbside collection of resident yard debris and bulk items is included in the solid waste fees of your utility bill. Please visit our website for restrictions and limitations.

Do you accept tires at curbside?

Tires are ONLY accepted during the City's Spring Clean Up event, held annually. During the week of Spring Clean Up, residents can place additional items curbside for collection to include solidified paint and an unrestricted volume of debris.

What items are not accepted?

- C&D (Construction and Demolition) material
- batteries, oil, gasoline, any type of fuel tanks, and medical supplies
- debris from vacant lots or vacated/evicted premises
- debris from contracted work or anyone other than the resident

PLEASE NOTE:

All household garbage must fit securely inside your toter in order to be serviced. Bags on the ground will not be picked up.

perry-ga.gov/solidwaste

NATURAL GAS

Natural gas, America's most popular home heating fuel, is increasingly popular because it is efficient, clean, and reliable.

The City of Perry provides natural gas to over 3,100 customers through a network of underground distribution lines. The service lines end at each customer's meter where gas is delivered.

Safety is a Priority.

Natural gas is a colorless, odorless gas. If not used correctly, it can be deadly. Keep the following tips in mind...

Call Before You Dig

Call 811 at least 48 hours before you dig.

Failure to do this is a known cause of pipeline accidents.

Funny Smell?

Rotten Egg Smell
Bubbling water
Hissing/blowing sound
Dead/discolored vegetation
Dirt/dust blowing from the ground

Possible Leak?

Leave the area immediately.
Call (478) 297-0305 or 911

NEVER turn switches on/off, open or close garage doors, use a flashlight or phone.

F.O.G.

FATS, OILS, & GREASE

F.O.G. tends to find its way into our sewer system all too often.

A sewer blockage will usually result in a sewer spill and costly sewer repairs.

Sewage in a storm drain is similar to dumping raw sewage directly into a river, lake, or stream.

Proper Disposal

- ✓ Use dry wipes or paper towels to soak up grease and oils from dishes prior to washing.
- ✓ Garbage disposals are NOT proper devices for disposing of grease or food waste.
- ✓ Save your empty cooking oil containers to store old cooking oil/fats from meat.

THE

NASTY

CODE COMPLIANCE

Perry

Where Georgia comes together.

In 2023, City of Perry Code Compliance identified nearly 600 violations within City limits. **Violations can lead to fines, property liens, court appearances, and possible condemnation of the dwelling.**

Violations can negatively impact the safety and home values of neighborhoods.

Here are the nine most common code compliance violations, also known as **The Nasty 9**, in the City of Perry...

1 Derelict Vehicles

A vehicle that does not have valid insurance, tag, and/or is inoperable on a public roadway.

2 Overgrown Grass

It is unlawful for residential or commercial properties to become overgrown with weeds and grasses. Grass may only be a maximum of 8" in height.

3 Loose Garbage

All residential and commercial rubbish/garbage must be stored in a proper receptacle provided by the City of Perry.

4 Construction Clutter

All construction sites must be maintained in a clean, safe manner and discarded materials stored in a proper receptacle.

5 Old Tires

Scrap tires must be stored inside an approved storage container.

6 Signs

Stick in the ground signs are not allowed. Do not affix signs or other paper to utility poles, waste receptacles, benches, or other structures except as authorized or required by law.

7 Mosquito Breeders

All outside containers must be kept free of water or otherwise treated to prevent mosquito breeding.

8 Pool Barriers

All pools must have an adequate barrier around them.

9 Blight

Blighted properties are a nuisance. Property owners must maintain their properties as stated in the International Code Council regulations and City ordinances.

Enriching Lives

If you're looking for adventure, the beauty of nature, or a place to cool off... **Perry** has it all.

INSTRUCTIONAL CLASSES

Perry Leisure Services is more than athletics! The City offers instructional classes for social and emotional well-being. Classes such as photography, pickleball, and ballroom dancing are some of the classes you'll find around Perry!

CREEKWOOD SPLASHPAD

The Splashpad is the first of its kind in Perry! Cool off under a variety of water fountains, water cannons, and one very large bucket that splashes onto the pad when filled up with water! Located at 1107 Creekwood Drive.

Adults will enjoy watching under large umbrellas and benches situated around the pad. A large picnic area is nearby where you can enjoy your refreshments under the nearby pavilion. The Splashpad is open seasonally.

SENIOR CITIZENS

The Senior Center is located at the James E. Worrall Center (1060 Keith Drive).

Contact the Middle Georgia Community Action Agency at 478-988-0060 for more information.

EVENTS

Perry Leisure Services hosts several free events throughout the year to include The Perry Water Battle with dueling fire tricks, Special Needs Egg Hunt designed with those with special abilities in mind, and the Splash N Bash at the Creekwood Splash Pad. Interested in sponsoring an event? Contact Perry Leisure Services at (478) 988-2860.

Athletics

The City offers a variety of athletic programs throughout the year including football, cheerleading, baseball, t-ball, basketball, pickleball, and more.

Participants can easily register online for their selected sport through our online registration portal.

Volunteers are vital to the Youth Athletic Program. Coaching experience is not necessary - just a love of sports and a desire to make a difference with the youth of our community. We are always looking for volunteer coaches and instructors for the variety of programs we offer.

[perry-ga.gov/
parks](https://perry-ga.gov/parks)

BARBARA CALHOUN PARK

1802 Tucker Road

Here you'll find tennis courts, small playground area, restrooms, and picnic tables underneath beautiful shade trees.

CREEKWOOD PARK

1107 Creekwood Drive

The park has a large picnic pavilion and sports fields. It is also home to the first Splashpad that is open seasonally and is free to use!

This 30-acre park also has the "White Tail Trail" section linking to Perry's beautiful nature trail network along Big Indian Creek.

ROTARY CENTENNIAL PARK

650 General Courtney Hodges Boulevard

Visitors have access to paved walking trails that wander through wetlands, botanical preserves, and along Big Indian Creek. The trail provides visitors with a quality nature experience and is accommodating to all users with disabilities.

ROZAR PARK

1060 Keith Drive

The park is home to an 18-hole Frisbee disc golf course, multiple soccer fields, baseball fields, playgrounds, an outdoor basketball court, and a picnic pavilion. There are plenty of opportunities for outdoor nature enthusiasts as well. With 2 large fishing ponds and a surrounding walking trail, fishing is a favorite pastime for many local families.

LEGACY PARK

Intersection of Carroll Street and Main Street

Legacy Park is a memorial to our veterans and those who made Perry into the thriving city it is today. Take in the tranquil water feature and enjoy a picnic under shaded tables.

HERITAGE OAKS PARK

2021 Sam Nunn Boulevard

For those seeking entertainment, the park offers an oval amphitheater lawn perfect for throwing a frisbee with friends or enjoying a picnic with the family. The shaded sail stage area with electrical hook-ups provides the perfect nighttime atmosphere during events.

CROSSROADS PARK

1107 Creekwood Drive

A decorative signage wall creates a courtyard space that is home to the "Girl in the Tree" sculpture, a water feature patio, and a walking path connecting to downtown.

PINE NEEDLE PARK

1020 Country Club Road

Pine Needle Park is a 61.35-acre park designed to enjoy the beautiful outdoors and fresh air. The park features two ponds and a large, green landscape with a fenced boundary. This park also features inclusive playground equipment.

HAFLEY PARK

1527 Sunshine Avenue

Hafley Park is home to the Master Gardeners' garden through the Houston County Extension Office partnership. Here you will find a Pizza Garden, Vegetable Garden, and Rock Garden. Visitors can also take a look at the informational Teaching Garden sign located on-site for a quick overview of what you can find in the garden.

WELCOME PARK

1033 Macon Road

This park features a signage wall with seasonal plantings, a water fountain, a grassy knoll, benches, and a parking lot that provides quick access to downtown.

SPECIAL *Events*

The City of Perry is proud to host a number of unique and free community events. From festivals hosted in the heart of Historic Downtown Perry to concerts and outdoor cinemas at one of our pristine parks.

Our special events provide memorable experiences for everyone to enjoy!
