Market Vendor Application Process

Individuals interested in participating in the Downtown Perry Farmers Market are to submit an application online at <https://perry-ga.gov/perry-farmer-market-vendor-application>. The Downtown Manager (or other designated individual) will review applications for completeness and appropriateness, and approve applications based on the needs of the market. Applications that do not meet the needs of the market at the time of submission will be placed on a waitlist. Vendors will be contacted on an as needed basis, depending on what the market needs are. The Downtown Perry Farmers Market reserves the right to refuse any applicant or ask any vendor to leave the market at any time.

Vendor Fee and Payment

After a new vendor is approved, via the proper channels, a vendor fee must be submitted before a new vendor can attend their first market. Vendor fee options are as follows: \$50/month, \$100/quarter, or \$375/year Vendor fees can be submitted in person at Perry City Hall, Monday – Friday, 8:00am – 5:00pm. Vendor fees can be submitted over the phone by contacting the Customer Service Office at (478) 988-2754. Vendor fees can be collected at a market if arrangements are made in advance with the Downtown Manager at (478) 988-2730 (or another designated individual).

Vendor Set Up

Vendors can begin arriving to the market area as early as 7:30am the morning of a Farmers Market. Vendors can then begin unloading their equipment, tents, supplies, etc. Vehicles can remain in the parking area. Tents/tables must be put in front of the vendor's vehicle. Trailers are permitted but must receive permission from the Downtown Manager (or another designated individual). All vehicles must be removed from the market area by 8:45am. If vendors use tent canopies, canopies must be weighted down with bricks, sandbags, water jugs, etc. Vendors are responsible for the set up and breakdown of their own vendor spots.

Vendor Breakdown

Vendors are expected to stay for the duration of the Farmers Market hours, 9:00am – 1:00pm. Vendors are permitted to leave before the conclusion of the market only in cases where the vendor's health or safety is at risk (extreme heat, inclement weather, etc.). "Selling out" or "low market attendance" do not constitute reasons to leave before 1:00pm. Vehicles cannot move in or out of the market area until 1:00pm for the safety of other vendors and customers.

Licenses and Permits

Vendors must have up to date licensing and permits where applicable. Vendors are responsible for meeting the local, state, and federal requirements to sell their products. For more information, vendors can contact the Georgia Department of Agriculture.

Vendor Spots

Each vendor has approximately a 10ft x 10ft space to set up. While the regular, consistent vendors have spaces that they regularly set up in, there are not official assigned vendor spots at the market. While attempts will be made to ensure vendors are in specific spaces on a consistent basis, no vendor is ever guaranteed a particular space at the market. Vendors wanting to use/occupy more a 10ft X 10ft space (for trailer, large equipment, etc,) must receive permission from the Downtown Manager (or another designated individual). Vendors are responsible for the upkeep and cleanliness around their vendor booth spot.
