**OFFICE OF THE CITY MANAGER**

**MEMORANDUM**

**TO:** Mayor/Council  
**FROM:** Lee Gilmour, City Manager  
**DATE:** August 28, 2018  
**REFERENCE:** Mosquito Spraying Services

With the City's designation as an MS4 stormwater community, there are now a series of controls and reports that must be prepared and reported concerning the use of herbicides and insecticides.

One of the areas is mosquito spraying. The City currently does very little spraying. Based on the stormwater regulations, the Administration recommends Council cease all mosquito spraying activity and contract with private companies when needed.
