Perry

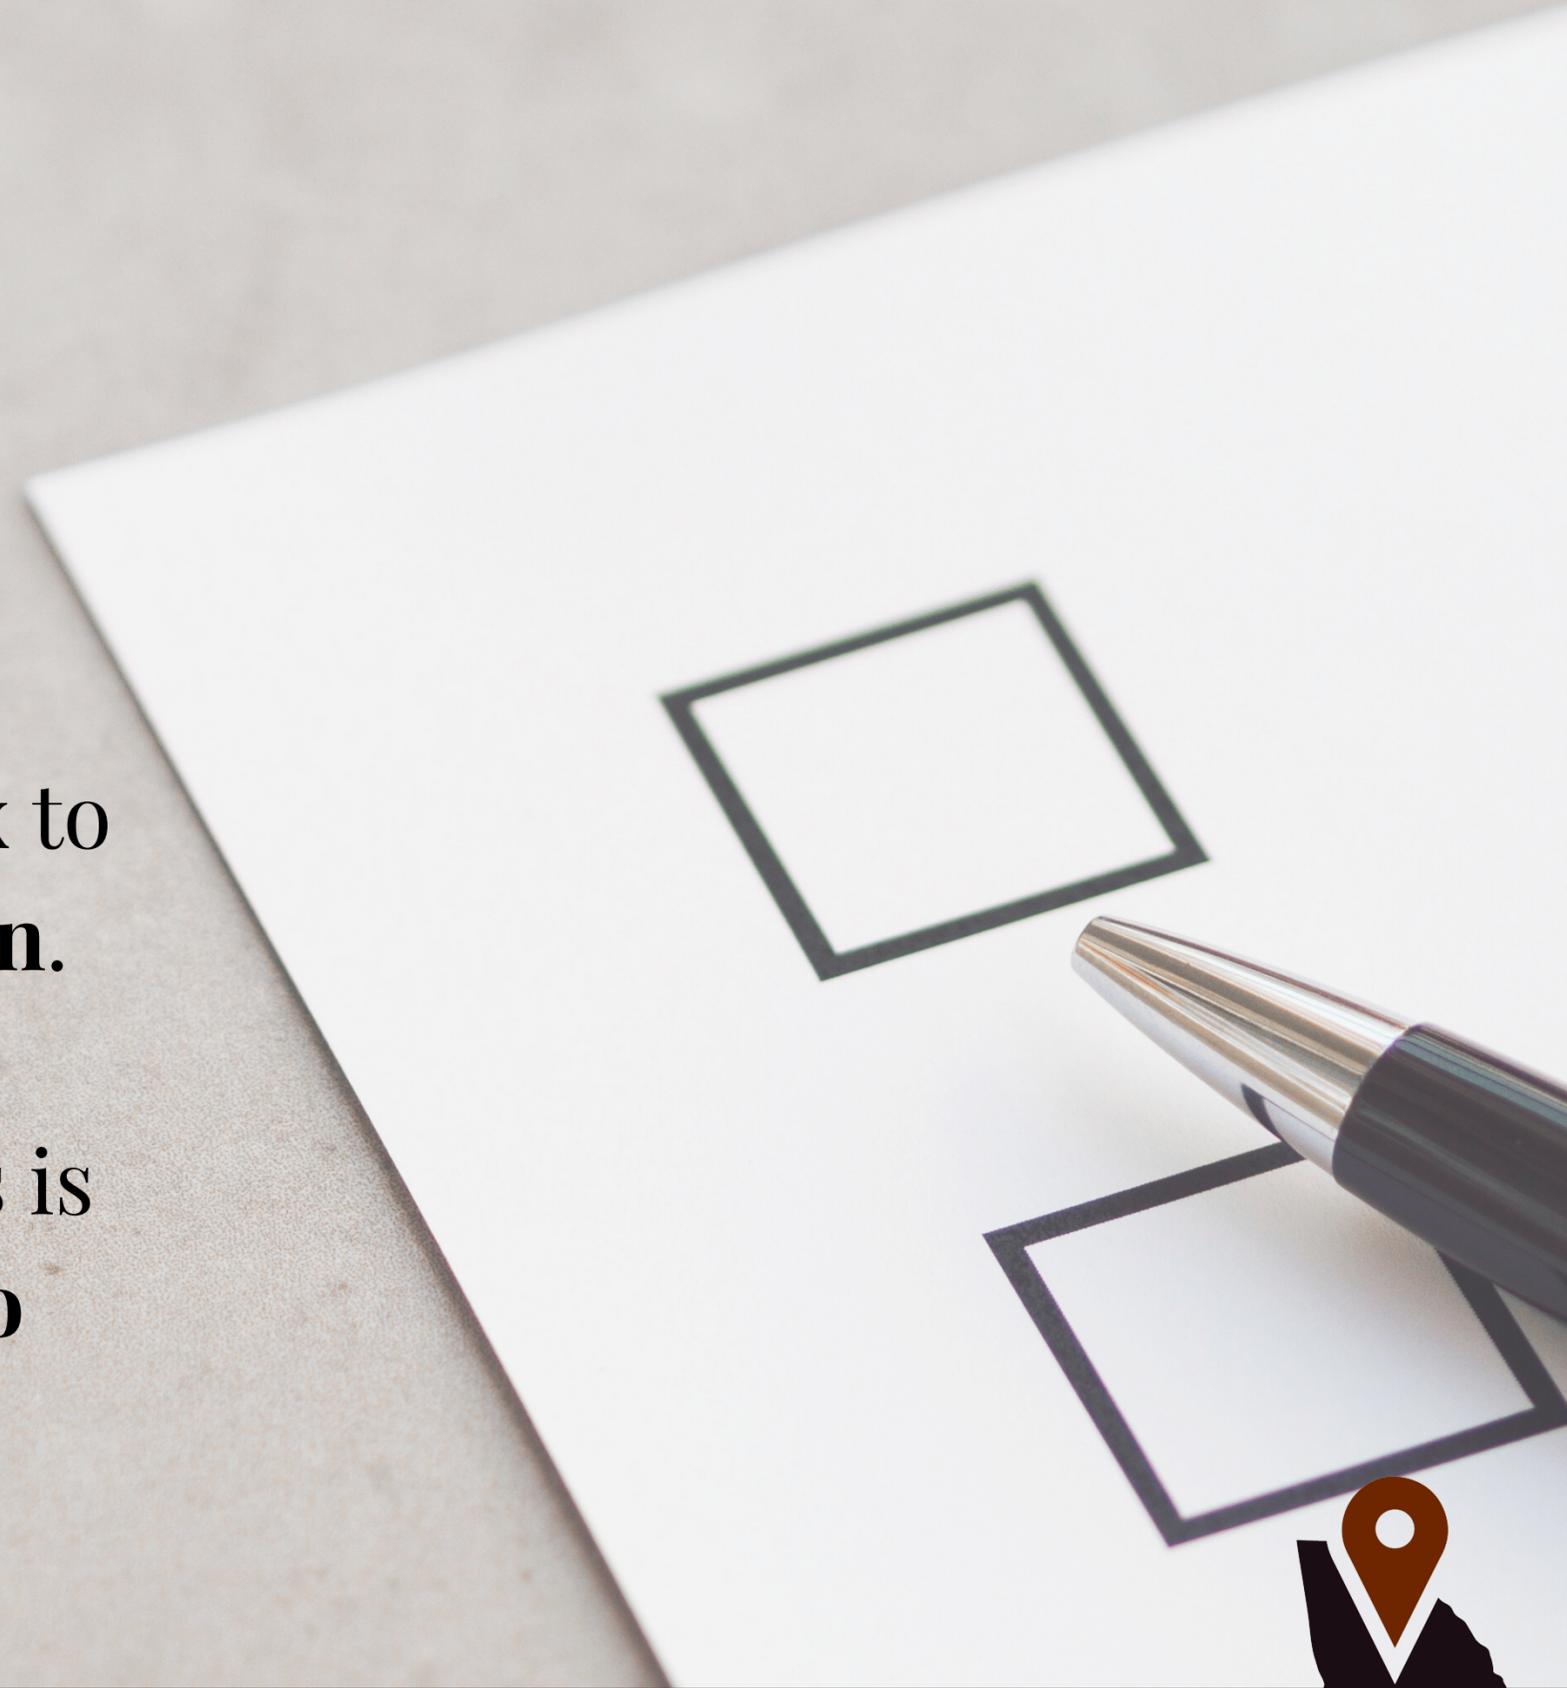

Where Georgia comes together.

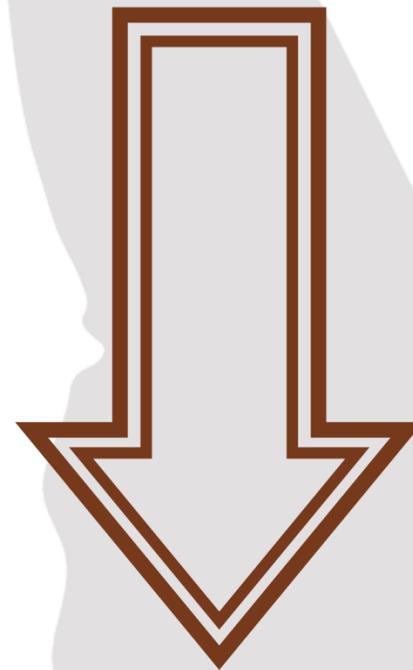

In **1982...**

Houston County voters **approved restructuring** the local options sales tax to the **Houston County Board of Education.**

The **standard practice** in other counties is to distribute the tax to the county and **to their county's municipalities.**

If the City of Perry received its portion of the local sales tax - its property tax would be...

2.84 mills

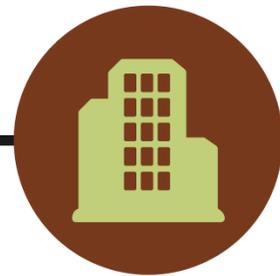

Annual Debt Services

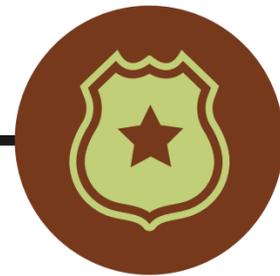

13.76%
