City of Perry Special Events Procedures

I. Procedures Statement

The City of Perry recognizes the benefits and opportunities created through special events and seeks to facilitate and coordinate special events that benefit the Perry community. Special events provide opportunities to promote Perry's quality of life, foster a sense of community, enrich Perry's culture, promote tourism and boost the local economy.

Any public gathering or special event that requires restricted or exclusive use of any public property, including City of Perry lawns, streets and sidewalks, must first submit a special event application and obtain approval from the Perry City Council.

These procedures are intended to work in conjunction with all other applicable rules, regulations, laws and ordinances of the City of Perry and other applicable governmental entities.

II. Definitions

Special event – Any activity sponsored by an organization or individual for profit or non-profit, other than the City of Perry, held on public property and designed for entertainment, competition or social, ethnicity, religious and/or cultural awareness that 1) requires restricted or exclusive use of any portion of public property, including but not limited to lawns, sidewalks, streets, stages and/or temporary barricades; and/or 2) impedes the normal traffic flow; and/or impedes the enjoyment or use of the property by the general public. Such events require a special event permit issued by the City of Perry.

City Clerk – City staff member who is responsible for overseeing the application process and obtaining recommendation for acceptance or denial based on input from appropriate City departments. The City Clerk will submit the proposed event for inclusion on the agenda of the Perry City Council for consideration whether to approve or deny the application. The Clerk will act as liaison between the event organizer and affected departments within the City as necessary.

City support services – Services provided by the City of Perry to ensure that a special event is conducted in such a way as to protect the safety, health, property and general security of the public and integrity of public grounds. Services may include Police, EMS, Public Works, set-up, clean-up, event consulting, etc.

Event organizer – Person(s) designated as the authorized head of the organization or individual responsible for the proposed event.

Public assembly – Any meeting, demonstration, picket line, rally or gathering that does not require restricted or exclusive use of any portion of a public property as a special event.

III. Criteria for Evaluation

The following criteria are used to evaluate and schedule special events:

- Completeness of application and event layout
- Proof of liability insurance coverage in the required coverage amount
- Proof of alcohol liability insurance coverage in the required coverage amount if applicable
- Impact and cost of the event on public health, welfare and safety
- Impact and cost for City support services
- Impact on surrounding businesses and residences
- Impact of event on the environment
- Impact on public access to streets, sidewalks and facilities
- Perceived benefit of the event for the Perry community
- Frequency of same or similar events
- Potential conflicts with previously approved events
- Previous history of event organizer's compliance with City of Perry procedures and regulations
- Previous history in facilitating special events.

The event organizer must be an individual or established organization whose proof of insurance coverage shall be documented and kept on file by the City Clerk.

All applications shall be submitted to the City Clerk, who will review for completeness and will provide the event organizer with a written approval or denial of the application as determined by the Perry City Council.

In cases in which the event organizer is a recognized City partner, such as the Perry Area Chamber of Commerce, or partners with a recognized City partner, such as Perry Main Street Promotion Committee, the Perry City Council may choose to waive any permit fees and expenses for personnel, etc., for events held on public property.

In some cases, the event organizer for a downtown event on public property may wish to partner with the Perry Main Street Promotion Committee as co-organizers for the event. The committee may decline to partner with an event organizer or on a particular event. If the committee votes to partner on the event, the application will be presented to Perry City Council as a joint application.

If an event will occur in the central business district as defined by the Perry Land Development Ordinance on public property, the Perry Main Street Promotion Committee will review the application and recommend to the Perry City Council whether to approve the application.

If the event organizer is an ad hoc committee, the event organizer will provide a list of all members of the committee and their contact information to the City Clerk at least two weeks before the event.

Approval may include conditions or stipulations intended to address or mitigate any potential issues.

All applications for events must be submitted in time to be included on a Perry City Council meeting agenda for consideration at least 60 days before the proposed event or festival.

The event organizer shall not advertise or in any other way promote an event until after it has been approved by the Perry City Council. Advertising an event prior to obtaining Council approval does not ensure the Council will approve the event.

Parades, races and rental of the Perry Arts Center and Worrall Community Center are not handled in the process outlined in these procedures.

IV. Application Process

The City of Perry City Clerk shall receive a completed special events application, event layout and application processing fee prior to the proposed event or festival to ensure the matter will go before the City Council at least 60 days before said event. Proof of insurance is required at least 30 days prior to the proposed event or festival and shall be submitted to the City Clerk.

Applicants will pay the application fee and, if alcohol is to be served, an additional special event alcohol permit is required.

The City of Perry reserves the right to determine necessary support requirements. Support of City staff, including Police (for security and traffic management) and Public Works (for clean-up, set-up and closing streets) beyond their normal daily routines may be requested on the application. Additional costs beyond the permit fee will be quoted based on estimated hours of service. The applicant will be responsible for actual hours of service required.

Do not include any specific department or person.

A certificate of insurance is to be provided to the City Clerk. The certificate of insurance is to be provided to the City Clerk no less than 30 days prior to the scheduled event.
